**Term 3** is fast drawing to a close and there has been a lot of hard work done with exams looming for our Senior students, planning and selection of courses for 2016 almost complete and **Report Collection / Parent Interviews** scheduled for Thursday 24th September.

**Facilities Update**
The fences have finally come down and there is now access to all parts of the yard and just some final work being done to repair the oval as the workers depart. Students are now enjoying the upgraded facilities with new options in terms of seating, shelter and play. Minor defects are now being remedied and we are looking forward to the official opening by the State Minister of Education on November 25th.

**NASSSA News**
Northern Adelaide State Secondary Schools Alliance (NASSSA), of which **Salisbury East High School** is a member, has been named as a finalist at the prestigious 2015 Australian Training Awards in the School Pathways to VET Award category. We await the outcome of this nomination when the winner is announced in November.

**Highlights**

“**Feel the Earth Move**” Dance performance
It was my pleasure to be part of a large audience to see Salisbury East dancers perform along with Salisbury High students in a very slick, high quality show on September 16th. The performance was part of the moderated assessment for our Stage 2 dancers and a great opportunity for aspiring dancers to feel what it is like to show their talent in front of a large paying audience. Congratulations to **Ms Weston** and her support crew of staff from Salisbury East for their efforts to ensure such a professional and polished show was enjoyed by a great crowd.

**Neil Atkin workshops (Science) and STEM activities**
Our staff and students participated in two further workshops at SEHS where students and teachers worked to co-design their learning in Science along with students and teachers from other Northern Adelaide schools. Our thanks to **Ms Riley** for coordinating this event with members of the Teaching for Effective Learning team who provided very positive feedback on the workshops. Ms Riley also coordinated a number of activities including a successful STEM Girls Study Tour.

**Workwise Program for Year 10**
An outstanding program of industry visits, workshops with employers at school and work experience has been put together by **Ms McGie, Mr Yarwood** and our Beacon industry partners. This timely program is of great relevance to our Year 10’s as they select their SACE subjects.

**Sport**
Students have been involved in a number of sporting competitions with Salisbury East winning the Ten Pin Bowling and the Senior Girls finishing third in the Northern Zone. Students also participated strongly in 5-a-side soccer and Knockout soccer as well as weekly sport.

I would like to wish students and staff a refreshing break after a productive term and look forward to welcoming back **Ms van Ruiten** in Term 4 after her travels in Europe.

**Steve Clark, Principal**
**ACHIEVEMENT AWARDS CEREMONY**

SPORT

Another term has ended with Salisbury East High School competing in the zone soccer competition. As with the past term 3 competitions Salisbury East has played a dominant part in the Northern Zone Competition. We were lucky to play most of our games at home with only 1 round played at FECHS. As the season neared its ending it was obvious that our year 8 boys and girls teams were vying for the top 2 positions in their pools. The girls team had gone through undefeated drawing to Craigmore High School and the year 8 boys had lost one game finishing equal with Paralowie High School. All major finals were to be played at Craigmore and as the students entered the bus a little apprehension was noticeable amongst the year 8 boys.

Our games started with the girls playing against Craigmore High School and the first 5 minutes were very tight with us up 2-1 and the Craigmore girls pushing to even the game up. It took a little bit of magic from Brea Prior in a solo effort to pass 2 defenders and slot the ball into the back of the net. From there the girls didn’t look back finally winning 7-2. Goal scorers Ruby Smith 4 goals, Chloe Hill 2 goals and Brea Prior 1 goal.

The year 8 boys’ game started with a freak goal off a defender’s heel and in the top corner in the first 20 seconds where our boys were left trailing 0-1 to Paralowie. They quickly settled and set about evening up the contest with most of the play in their attacking half and many opportunities but were thwarted by the Paralowie goalie and poor finishing, until Feyai squeezed a goal in from a corner off the goalies leg into the back of the goal. The second half was much like the first with most of the play in the Salisbury East attacking half and many opportunities to score but no conversions. The final siren gone, the game was taken to penalties, Salisbury East with the first penalty and pulled wide, our second penalty scored and we were even 1-1 but 1 penalty down. Gallantly we continued but finally succumbed to too many misses and lost on penalties 3-2, an unfortunate way to concede but many positives came out of the season. The boys continued to improve right the way through the season and they will make a good core for the year 9 team next year.

PE Teacher
“FEEL THE EARTH MOVE”
Dance Performance 2015
SACE – END OF YEAR RESULTS RELEASE

Students completing SACE subjects this year will be able to access their results on the SACE website from 8.30am on Tuesday 15 December.

The SACE Board is making online results available online two days earlier this year, to provide more time for students, families, and schools to access any necessary support and clarification prior to Christmas.

This means that results will be available online prior to the distribution of printed certificates and other documents, which will arrive later the same week.

Many students – especially Year 12s – will want to view their results quickly on 15 December. To ensure all students can access their results on the day they are released, students should check as soon as possible that they can log in to Students Online via the link on the SACE website at: https://www.sace.sa.edu.au/students-online

Login requires a SACE registration number and PIN. Registration numbers comprise six numbers and a capital letter (eg 123456A). If students are unaware of their SACE registration number, please see the SACE Coordinator at school.

If a student has not logged in before, their PIN will be the first four digits of their date of birth in the format DDMM (eg 1st July = 0107). Students who cannot remember their PIN can request a PIN reset through the website.

Once students have successfully logged in, they should visit the Personal Information section and check their postal address is correct, to ensure results are also received in the mail.

Students needing further assistance logging in can email the SACE Board Service Desk at SACE.servicedesk@sa.gov.au or call 8372 7412.

FINANCE

Big THANK YOU to those families who have paid their fees in full, submitted their School Card forms, and all who have made use of the PayWay and Bizgate facilities and are paying off their school fees on an instalment plan.

*** Reminder that 2015 Materials & Services Fees are overdue ***

Final Notices were sent home on 24 July 2015 and as 30 days have passed we are in the process of sending outstanding debt to Central Debt Recoveries Team in DECD.

Please contact the Finance Office on 8258 2070 or by email dl.1011.info@schools.sa.edu.au to arrange payment.

Alternatively, you can view the payment options on our website (www.sehs.sa.edu.au)

Payment can be made by
• cash/card/cheque (made payable to SEHS) at the front office
• credit card using bizgate online (www.sehs.sa.edu.au and follow the prompts)
• Direct Debit and CentrePay on application to Finance Officer

If you believe you are entitled to School Card
• You MUST fill out a form EACH year (cut-off date is 10 November) and submit it to the school or to the School Card Section.
• You MUST fill out a separate form for EACH SCHOOL your children are at.

Forms and details available at the Front Office.

Vicki Steel
Finance Officer
FRONT OFFICE
September/October School Holiday

Due to road works access to the School will be via the Smith Road gates (see information below). Please use this car park. Signs will be displayed to show the direction to the Front Office.

Open: Tuesday 29 September to Friday 2 October (8.00am - 4.00pm)

Closed: Monday 28 September
Monday 5 October (public holiday)
Tuesday 6 October to Friday 9 October

Upcoming road works and parking restrictions

Downer Infrastructure will be undertaking works on the road section detailed below during the date(s) listed. There will be periods during this time that access to property may be restricted. Those not living directly on this section of road may also experience access restrictions due to their proximity to the work being carried out and are requested to adhere to any detours that will be in place.

Road Name/Suburb: Buckingham Drive, Salisbury East (from Bridge Road to Gloucester Avenue)
Dates: September 20th to 25th

Road Name/Suburb: Gloucester Avenue, Salisbury East (from Smith Road to Buckingham Drive)
Dates: September 26th to October 2nd

Work will be carried out between 7 a.m. to 5 p.m. and may consist of a number of individual stages:
- Profiling of the road
- Stabilisation of the existing road
- Placement of an asphalt surface

To assist Downer Infrastructure in completing this work safely, efficiently and with a minimum of inconvenience to you they ask that you give them your co-operation in:

- Ensuring that vehicles are not parked on the road
- Should you need to use your vehicle during the above mentioned period during working hours please arrange to park your vehicle in the adjoining streets if possible as access to your driveway may be denied. Driveway access will be returned after each shift
- Ensure that household members, particularly children and animals, are KEPT WELL CLEAR of the work zone until road works are completed
- Not allowing water to run onto the road during the above period
- Remaining alert of our operations being carried out that involve large moving machinery and very hot bitumen products
- Be aware that during stabilisation/construction while every attempt to reduce airborne dust will be made that there may be times where it may occur
- Exercise care and caution when traversing the road works during this period as there may be some loose material/stones or very hot bitumen being laid on the road
- On the day please seek the advice from Downer personnel on site if required

Be aware that during stabilisation/construction while every attempt to reduce airborne dust will be made that there may be times where it may occur.
